

SuccessNet Plus

Password Reset

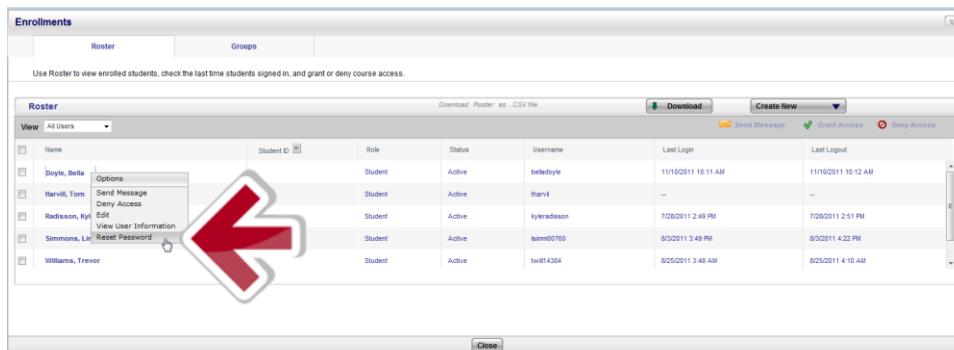

This guide explains how to reset a student password when students forget their password and are unable to log in to SuccessNet PLUS.

Follow these steps to reset a password:

1. Click **Enrollments** on the class banner.

2. Click the Options menu next to the student's name on the roster and select **Reset Password**.

3. Type in a new password. Retype the password, and then click **Save and Close**.
