

Instructions for Accessing eText titles on iPad

For customers using SuccessNet products

Step 1 – Obtain and Add Access Code

Look for an alert in the Message Center with information for new mobile products as they become available.

Enter the **Access Code** provided (Go to My Account, select Manage Products, and then Add Product).

The screenshot displays the Pearson SuccessNet user interface. At the top, there is a navigation bar with tabs for Home, Content, Planning, Classes, and Reports. A user is logged in as Julie Harvill from California. The main content area features a banner for selecting a program, with options for enVisionMATH Common Core G3 and PH HS 2012 Algebra 1. A message window titled "Message Detail" is open, showing a notification dated 09/23/2011 about accessing eText on an iPad. The message includes instructions on how to add an access code to the account and how to use the mobile app. A large red arrow points from the message window towards the "Messages" section on the right side of the page, which lists other messages and resources.

Step 2 – Click Mobile Apps

Log out and log back in.

Click the **Get Mobile App** icon or link.

Pearson Mobile Apps and eTexts - Mozilla Firefox

PEARSON ALWAYS LEARNING

How to get your Mobile Apps and eTexts

For Teachers

1. Create a new Pearson account. This account will provide you access to the Pearson School portal where you will subscribe to the mobile products that are available based on your school's licenses. **NOTE:** Your Pearson SuccessNet accounts will NOT provide access to your new mobile products.
2. Sign in to the Pearson School portal with your new account.
3. Select your mobile product(s) as directed.
4. Visit the Apple® app store and install the relevant applications.
5. From iPad™, sign in to the apps using your new Pearson user name and password to view all available titles.

For Students

For students to access Pearson eText for iPad titles, **teachers** must create and distribute student accounts. Teachers:

1. Enter the Pearson School portal with your new account.
2. Use the **Create Class** option to create student accounts.
3. Instruct students to install Pearson's eText for Schools app.
4. Distribute new student account information for sign in.

Create a new Pearson Account

Step 4 - Register

Request or enter a School Code.

Create an Account Log In

School Code → Personal Information → Account Information → Review

After creating your account, you can access your online course. [Log in to your online account if you already have one.](#)

Do You Have a School Code?

You need a school code to register. Request a school code if you do not have one.

if you do not have one.

if you already have one.

Required

PEARSON Copyright © 2005–2010. All rights reserved.
[Contact Technical Support](#)

Step 4 - Register *continued*

To request a school code, type in your email address.

Begin typing the school name. Click on the school name from the list of names that appear. Be sure to check the address if there are two or more schools with the same name.

Click **Request**.

The screenshot shows a web interface for creating an account. At the top, there's a blue header with the text 'Create an Account' and a 'Log In' button. Below the header is a progress bar with four steps: 'School Code', 'Personal Information', 'Account Information', and 'Review'. The 'School Code' step is currently active. Below the progress bar, there's a blue box with the text: 'After creating your account, you can access your online course. [Log in to your online account if you already have one.](#)'

The main content area is a yellow box titled 'Request a School Code' with a help icon. It contains the following text: 'Provide your email address and school name. We will verify your account and send the code to your email address.' Below this text are two input fields: 'Email Address' and 'School'. The 'School' field has a placeholder text: 'Enter your school name or ZIP code'. Below the 'School' field are two links: 'Advanced School Search' and 'Don't see your school?'. At the bottom of the yellow box, there's a paragraph: 'School code requests are only for teachers. All requests for access are subject to review and approval by administration.' At the bottom of the form, there are two buttons: 'Previous' and 'Request'.

• Required

Step 4 - Register *continued*

Use Advanced School Search if the school name does not appear in the list.

Enter information in the fields provided. Select the school and click **Next**.

The screenshot displays the 'Create an Account' registration process. At the top, there is a progress bar with four steps: 'School Code', 'Personal Information', 'Account Information', and 'Review'. The 'School Code' step is currently active. Below the progress bar, there is a 'Log In' button. The main content area is divided into two sections. The first section, 'Request a School Code', contains a form with the following fields: 'Email Address' (with a red asterisk) containing 'name@school.org', and 'School' (with a red asterisk) containing 'Enter your school name or ZIP code'. Below the 'School' field are links for 'Advanced School Search' and 'Don't see your school?'. A 'Previous' button is located at the bottom left of this section. The second section, 'Search for a School', is a modal window that is open. It contains a search form with the following fields: 'Name' (containing 'Martin Luther King'), 'City', 'State or Province' (a dropdown menu showing 'Alabama'), 'Postal Code', and 'Country' (a dropdown menu). Below the search form are 'Cancel' and 'Search' buttons. The 'Results' section below the search form shows two search results: 'MARTIN LUTHER KING ELEM SCHOOL' at '3112 MERIDIAN ST N HUNTSVILLE AL 35811-1539' and 'MARTIN LUTHER KING ELEM SCH' at '4655 GATEWAY DR MONTGOMERY AL 36108'.

Step 4 - Register *continued*

If the school name still does not appear in the list, click **Don't see your school?**

Click **contact Technical Support** and complete the form.

Create an Account

Log In

School Code → Personal Information → Account Information → Review

After creating your account, you can access your online course. [Log in to your online account if you already have one.](#)

Step 4 - Register *continued*

If you have the school code, enter your school code.

Begin typing the school name. Click on the school name from the list of names that appear. Be sure to check the address if there are two or more schools with the same name.

Click **Next**.

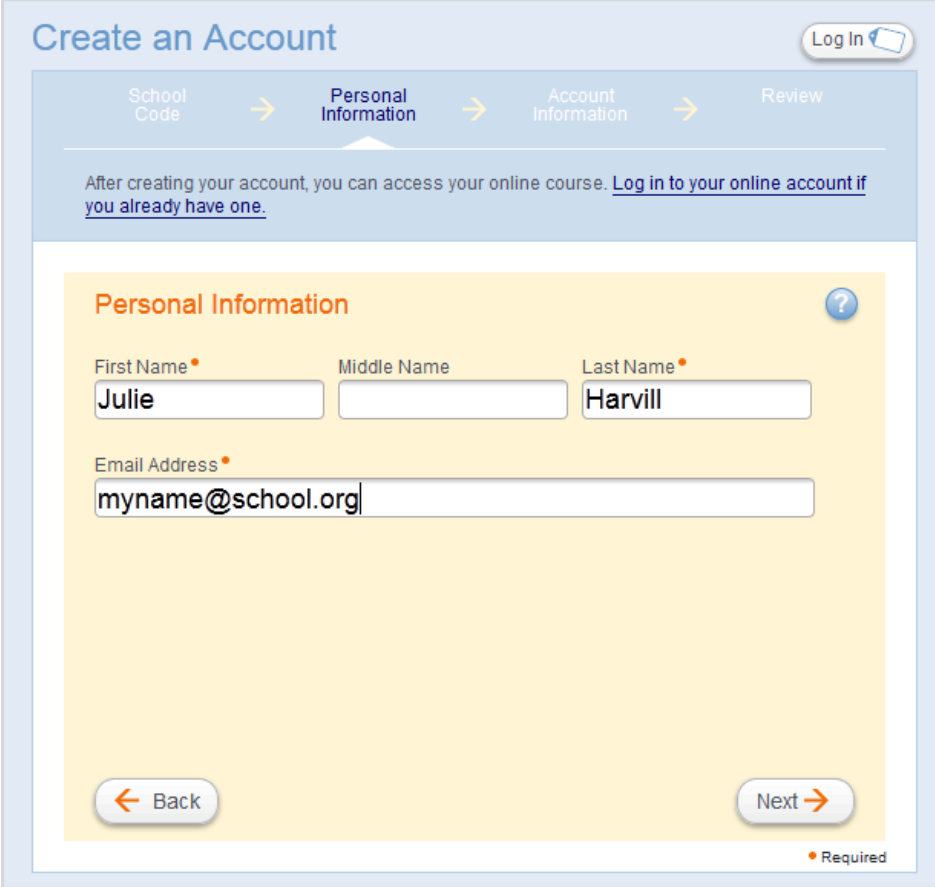

The screenshot shows a web interface for creating an account. At the top, it says "Create an Account" with a "Log In" button. Below this is a progress bar with four steps: "School Code", "Personal Information", "Account Information", and "Review". The "School Code" step is currently active. Below the progress bar, there is a message: "After creating your account, you can access your online course. [Log in to your online account if you already have one.](#)"

The main content area is titled "Enter Your School Code" and contains a search form. The "School Code" field is filled with "123589". Below it, a search result is displayed for "MARTIN LUTHER KING HS" with the address "3200 LAFAYETTE ST DETROIT MI 48207". A link "Not your school? Search again" is provided. At the bottom of the form, there are "Back" and "Next" buttons. A "Required" indicator is visible at the bottom right.

Step 4 - Register *continued*

Enter your personal information.

Click **Next**.

The screenshot shows a web form titled "Create an Account" with a "Log In" button in the top right corner. A progress bar at the top indicates the current step is "Personal Information", with "School Code", "Account Information", and "Review" as previous and subsequent steps. Below the progress bar, a message states: "After creating your account, you can access your online course. [Log in to your online account if you already have one.](#)"

The main form area is titled "Personal Information" and contains the following fields:

- First Name** (Required): Input field containing "Julie".
- Middle Name**: Empty input field.
- Last Name** (Required): Input field containing "Harvill".
- Email Address** (Required): Input field containing "myname@school.org".

At the bottom of the form, there are two buttons: "Back" (with a left arrow) and "Next" (with a right arrow). A legend at the bottom right indicates that a red asterisk (*) denotes a required field.

Step 4 - Register *continued*

Create your username and password.

You do NOT need to use the suggested username. You may choose a new one.

Click **Next**.

Create an Account Log In

School Code → Personal Information → **Account Information** → Review

After creating your account, you can access your online course. [Log in to your online account if you already have one.](#)

Step 6 – Add Products

Select one or more products.

Click **Subscribe.**

The screenshot shows a user interface for a Pearson account. At the top, there is a blue header with "PEARSON" on the left and "ALWAYS LEARNING" on the right. The main content area is split into two columns. The left column contains a welcome message: "Welcome Julie! You have successfully registered with CG Sales School". Below this, there are three paragraphs of text explaining how to use the product selection checkboxes and how to manage the selected products. The right column is titled "Your school has made the following Products available for you, please make your choices below:" and contains a list of products with checkboxes. The products listed are: 21st Century Skills Learning, 21st Century Skills Tutor, Allons au de-là (checked), AP French, Preparing for the Language and Culture, Examination, Biology, Chemistry, Chemistry 2012, Florida Edition, Chemistry 2012, Foundations Edition, Chemistry 2012, Indiana Edition, Common Core Literature Grade 7 eText (checked), and Common Core Literature Grade 10 eText. At the bottom of the right column, there are two buttons: "Skip to My Homepage" and "Subscribe". A large red arrow with a white outline points from the bottom right towards the "Subscribe" button.

PEARSON ALWAYS LEARNING

Welcome Julie!

You have successfully registered with CG Sales School

You can use the check boxes on the right of this page to select the products you would like to use.

When you have finished selecting products, click **Subscribe** at the bottom right of the page.

The products you select will appear on your home page. You can add and remove products at any time by clicking the **Manage Products** button on your home page.

Your school has made the following Products available for you, please make your choices below:

- 21st Century Skills Learning
- 21st Century Skills Tutor
- Allons au de-là
- AP French, Preparing for the Language and Culture

Examination

- Biology
- Chemistry
- Chemistry 2012, Florida Edition
- Chemistry 2012, Foundations Edition
- Chemistry 2012, Indiana Edition
- Common Core Literature Grade 7 eText
- Common Core Literature Grade 10 eText

[Skip to My Homepage](#) **Subscribe**

Step 7 – Create a Class

Click **Create Class** to create a class and student accounts.

Enter a class name, and then select the school and products. Click **Next Step**.

The image displays two screenshots of the Pearson user interface. The top screenshot shows the 'Products and Classes' page with a 'Create Class' button highlighted by a red arrow. The bottom screenshot shows the 'Create a Class' form with fields for 'Class Name', 'Select a school for this class', and 'Select Product(s) for this class', with a red arrow pointing to the 'Class Name' field.

			x
			x
			x

Previous Cancel Save & Finish

Step 9 – Use new accounts to access eText on iPad

The class is created. Click the class name to view final student account information.

Provide each student their username and password.

Students use this username and password to sign into the eText for Schools iPad app.

The top screenshot shows the Pearson eText for Schools interface. The 'Products and Classes' section lists several products, including 'enVisionMATH Common Core Grade 3 eText'. A red arrow points to the 'enVisionMATH Gr 3' class name. The bottom screenshot shows the class details for 'enVisionMATH Gr 3 at CG Sales School'. The table below shows the student information:

Student Name	Student Username	Password
eText Student	etextstudent	*****

Step 10 – Install the eText App

From your iPad, go to the app store.

Search for **Pearson eText for Schools**.
Locate the app with the icon you see here.

Install the eText for Schools app to your iPad.

Step 11 – Sign into the eText App

Tap on the app icon.

Enter your new username
and password.
Click **Sign In**.

Sign In

Step 12 – Select a title in the eText App

From the bookshelf, touch a book image to open the title.

Enjoy!

The screenshot displays the Pearson eText app interface. At the top, the Pearson logo is on the left, and the user's name "Hi, Renee Gardner" and a "Sign Out" button are on the right. Below the header, a message states: "Click on the book cover to access your title. Please note that if you do not see one of your subscribed titles it may not yet be available on the iPad." The main content area features a grid of book covers, each with a "More Info" button below it. The books are organized into three rows:

- Algebra 1:** Algebra 1 Student Edition [National] (Basia Hall, Dan Kennedy, Randall ...) and Algebra 1 Teacher Edition [National] (Randall Charles, Basia Hall, Dan ...).
- Algebra 2:** Algebra 2 Student Edition [National] (Allan Bellman, Sadie Chavis ...) and Algebra 2 Teacher Edition [National] (Art Johnson, Laurie Bass, Allan ...).
- Geometry:** Geometry Student Edition (Laurie Bass, Art Johnson, Randall ...) and Geometry Teacher Edition [National] (Laurie Bass, Art Johnson, Allan ...).
