

Teachers: Modify Assignments

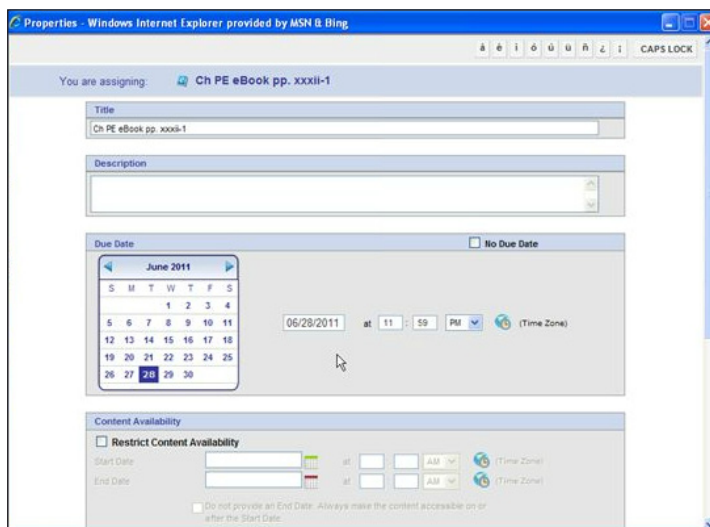

Introduction This guide explains how to modify assignments on SuccessNet Plus.

Modify an Assignment

1. Log in to SuccessNet Plus.
2. Select a class and click **Coursework** on the Products and Classes channel to enter the class view.
3. If you are not on the Manage Coursework page, click **Manage Coursework**.

4. Move your pointer over the title and click the Options menu.
5. Select **Properties**.
6. Change the due date, change content availability, or change which students are assigned the activity.

7. After making changes, click **Save**.

Unassign Content

1. Select one or more assignments by checking the box to the left of the title.
2. Click **Assign/Unassign**.
3. To reassign the content, click **Assign/Unassign** again.

Note: The reassigned activity does not have a due date. To assign a due date, follow the directions for modifying an assignment beginning with Step 4.

Remove an Assignment

1. Select one or more assignments by checking the box to the left of the title.
2. Click the red icon with the tooltip that says Remove.
