

Installing the Teacher Center

Tutorial Guide: Installation

In this guide, we will look at how to install your Teacher Center CD-ROM.

Take out your **Teacher Center**. You have three CD cases: *Planning*, *Presentation* and *ExamView*. Inside each of these cases are Installation Discs and Resource Discs. Take the **Installation Discs** out of each. You should have **4** Installation Discs total:

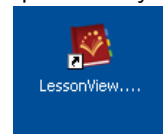

1. Planning Installation Disc
2. Presentation Installation Disc 1
3. Presentation Installation Disc 2
4. ExamView Installation Disc

Planning Installation

To install the **Planning** resources:

1. Place the **Planning Installation Disc** into your CD-ROM drive
2. Follow the **prompts** for installing the software
3. Keep clicking **Next** and answering **Yes** to the questions
4. Once you are finished, **remove** the Planning Installation Disc from your CD-ROM drive
5. An icon for LessonView will be placed on your desktop

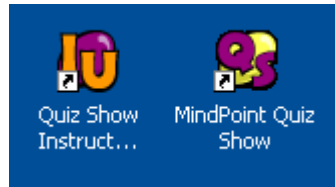

Presentation Installation

To install the **Presentation** resources:

1. Place the **Presentation Installation Disc 1** into your CD-ROM drive
2. Follow the **prompts** for installing the software
3. Keep clicking **Next** and answering **Yes** to the questions
4. Once you are finished, **remove** the Presentation Installation Disc 1 from your CD-ROM drive

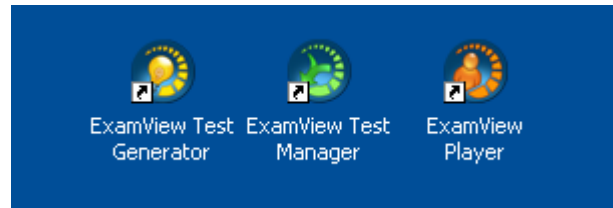

5. Place the **Presentation Installation Disc 2** into your CD-ROM drive to install MindPoint Quiz Show
6. Keep clicking **Next** and answering **Yes** to the questions
7. Once you are finished, **remove** the Presentation Installation Disc 2 from your CD-ROM drive
8. 2 icons for MindPoint Quiz Show will be placed on your desktop

ExamView Installation

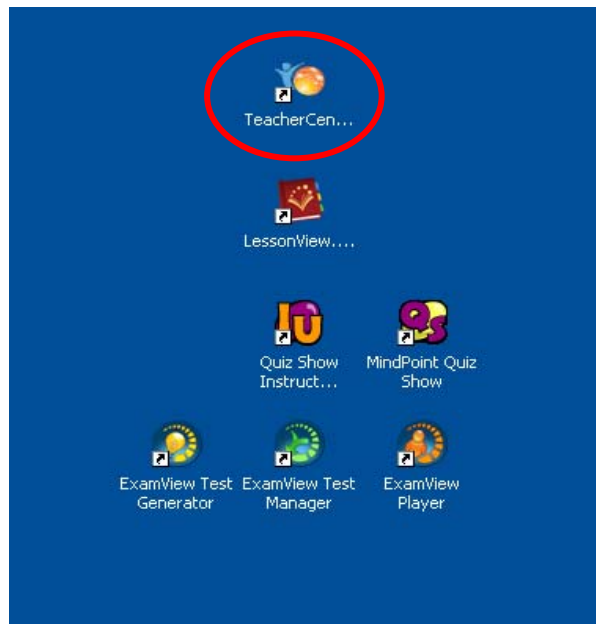

To install the **ExamView** resources:

1. Place the **ExamView Installation Disc** into your CD-ROM drive
2. Follow the **prompts** for installing the software
3. Keep clicking **Next** and answering **Yes** to the questions
4. Once you are finished, **remove** the ExamView Installation Disc from your CD-ROM drive
5. Three icons for ExamView will be placed on your desktop

Post Installation

Once the Teacher Center is installed, you'll see a variety of different icons on your desktop. To launch your Teacher Center, **click on the Teacher Center** icon.
